Dear Friend of the Hillsboro R-3 School District:

Missouri school districts have been required to produce annual report cards for several years. This year, for the first time, the state has produced report cards for all Missouri school district based upon data submitted to the state's core data system.

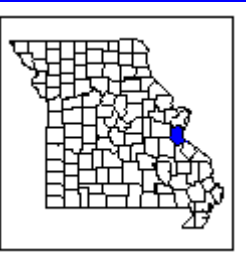

The format of this document is very different than past report cards, but the information is basically the same. I hope you find this document helpful as you seek to learn more about the Hillsboro R-3 School District.

Sincerely,

Mr. Randal Charles
